MM Docket No. 93-107

DAVID A RINGER
et al.File Nos. BPH-911230MA et al.For Construction Permit for
New FM Station on Channel 280A
at Westerville, OhioTO: Administrative Law Judge
Walter C. Miller**PROOF OF PUBLICATION**

ASF Broadcasting Corporation ("ASF"), by its attorneys, hereby submits the attached as Proof of Publication, demonstrating that it has published the notice required by Section 73.3594 of the Rules in a weekly newspaper published in Westerville, Ohio.

The attached is a facsimile copy of the notice which was published. The original Affidavit of Publication will be submitted as soon as it is available. Counsel has been advised that the Affidavit of Publication is normally sent with the newspaper's billing.

It is respectfully requested that this Proof of Publication be accepted notwithstanding that it is submitted one day later than the date specified in the Presiding Judge's Prehearing Order (FCC 93M-186) released April 26, 1993. The one day delay should not cause any disruption to this proceeding. Further, it should be noted that the publication occurring on May 5, 1993.

and 19, 1993, took place on three consecutive weeks within the four week period following release of the FCC's Order specifying the time and place of commencement of the hearing (FCC 93M-171) released April 21, 1993.¹ Also, the instant Proof of Publication is filed within seven days of the last publication date. Accordingly, the provisions of Section 73.3594(a)(1)(i) and Section 73.3594(g) have been met.

Respectfully submitted,

ASE BROADCASTING CORPORATION

NOTICE

On April 15, 1993 the Federal Communications Commission designated for hearing applications of David A. Ringer, ASF Broadcasting Corporation, Wilburn Industries, Inc., Kyong Jo Matchak, Shalee P. Davis, Westerville Broadcasting Company Limited Partnership, and Ohio Radio Associates, all seeking a Construction Permit for a new FM broadcast station to operate on the frequency 106.3 MHz at Westerville, Ohio. Hearing is scheduled to commence at the offices of the Federal Communications Commission in Washington, D.C. on August 31, 1993 on the following issues.

1. To determine whether there is a reasonable possibility that the tower height and location proposed by WBO would constitute a hazard to air navigation.

2. To determine which of the proposals would, on a comparative basis, best serve the public interest.

3. To determine, in light of the evidence adduced pursuant to the specified issues, which of the applications should be granted, if any.

The case will be heard before Judge Walter C. Miller, and will be held at the offices of the Federal Communications Commission, 2000 L Street, N.W., Washington, DC on August 31, 1993 at 10:00 a.m.

A copy of the application of ASF Broadcasting Corporation is available for public inspection at the Westerville Public Library.
